

Mark Lee '04 Business

Manager of Strategic Programming, Department of Small Business Services
Mr. Lee grew up in Birmingham, Alabama and graduated from Yale in 2004 with a B.A. in History. Post-graduation adventures include employment as an IT consultant at Net@Work, a New York software firm, and as a program coordinator for an immigrant job training program at Korean Community Services of Metropolitan New York. This eclectic background led to his current position, where he helps run the city's six Workforce1 Career Centers.

Kunduck Moon '76 Finance

Managing Director, ING Capital LLC
Mr. Moon has over 25 years of experience in corporate finance involving various industries. He has led ING's efforts in the investment industry since 1995. Prior to joining ING, Mr. Moon was the Managing Director in charge of Deutsche Bank's investment industry team, and subsequently Country Manager for Deutsche Bank in Mexico. Before Deutsche Bank, Mr. Moon served in various roles for Citibank including coverage of the investment industry. Mr. Moon holds a B.A. from Yale College ('76) and a J.D. from Columbia University ('79).

Beatrice Chen '98 Education

Director of Education, Museum of Chinese in the Americas (MoCA)
Ms. Chen's responsibilities include coordinating educational and community outreach programs, overseeing volunteer/docent programs, and developing interpretive materials for exhibitions. She received a B.A. from Yale College, an Ed.M. from Harvard Graduate School of Education and an M.C.P. from the Department of Urban Studies and Planning at Massachusetts Institute of Technology.
