

Yale Athletics

cordially invites you to a

WISER Weekend

Honoring the 30th Anniversary of the Nellie Elliot Award
April 13-15, 2007

Yale's **Women's Intercollegiate Sports Endowment Resource** (WISER) is a recently created fund dedicated to supporting women's varsity athletics at Yale, focusing on enhancing the quality of training, competition, and opportunity for both athletes and coaches.

As the first general athletic endowment established by former Yale athletes, WISER expresses the continuing passion for Yale women's sports by also celebrating the 30th anniversary of the Nellie Elliot Award. In the spirit of Yale's tradition of educating future leaders, resources from this endowment will also be used to cultivate post-graduate connections between women athletes and alumnae. Members chose the endowment as a means of showing their continuing support for women's athletics, and for propelling their legacy.
