Endowed Funds Supplemental Questionnaire

Financial Aid awarded at YDS is entirely need-based and comes from a variety of sources, some of which are gifts and endowments given YDS. Each year we match students who have received scholarship aid to gift and endowed funds and provide their donors or designees with brief profiles of those students as requested. To assist in the matching process we ask that you complete the following questions; your responses will not affect the amount of scholarship you receive but may affect the sources from which you receive aid. Thank you for your cooperation in meeting Yale Divinity School's responsibilities to those alumni and friends whose generous contributions help support YDS's financial aid programs.

Please give brief responses to the following questions.

1. What are your major academic interests?

2. What are your ministry goals?

3. What are your career goals and long-term professional ambitions?

If I am matched to any of YDS's named scholarships, I hereby grant my permission to release information relating to the Endowed Funds Supplemental Questionnaire to donors or their designees, and to allow information contained therein to be used in YDS web and print publications. I also agree I will write a thank you note to the donor.

I declare that the above application provides an accurate statement of my financial situation. I certify that I do not owe a refund on any grant or loan, am not in default on any loan or grant, and have not borrowed in excess of loan limits under Title IV programs at any institution. If I receive Title IV or financial aid monies, these monies will be used only for expenses related to my study at Yale Divinity School. I agree to advise the financial aid office of any significant changes in my finances. I understand that such changes may result in a change in my financial aid award following the principles of eliminating unmet need, reducing debt or work burden, and not exceeding need. **I understand that if I provide false or misleading information here, I may forfeit receiving any YDS grant aid awarded for the 2009-10 academic year. I also understand that this is not a complete application for financial aid and that to qualify for YDS grant support I must file the FAFSA (U.S. Citizens and permanent Residents) and provide a copy of my 2008 federal income tax return (if applicable).
