

## Printable Cargo Aircraft Only Label

The label below should print with the proper dimensions of a Cargo Aircraft Only label (minimum dimensions: 120 X 100 mm). Cut around the outside border of the label and affix it a vertical side of the box (not the top or bottom), oriented as shown below. Many printer inks run when exposed to even small amounts of water, such as rain or snow, therefore, when using this label, cover with clear plastic tape once applied to package.
