AS A WAY OF LIFE

public concert

BATTELL CHAPEL

MAY 18, 2007 8:30PM

## ZEHNDER

a Los Angeles-based acoustic rock band

“Wonderfully energetic...the sound of talented twins singing together is thrilling, their timbres blend beautifully.”

—Roger Bourland | Music Composition Professor | UCLA

## WILLIE PICKENS

a Chicago-based jazz pianist

“With his large & complex chords, his great splashes of color and dissonance in the right hand and his barrelhouse octaves in the left, Pickens never lets the dramatic intensity flag.”

—Howard Reich | Chicago Tribune
