Expense Provisions

The following provisions apply to your health expense plan.

This section describes cost sharing features, benefit maximums and other important provisions that apply to your Plan. The specific cost sharing features and the applicable dollar amounts or benefit percentages are contained in the attached health expense sections of this *Schedule of Benefits*.

This *Schedule of Benefits* replaces any *Schedule of Benefits* previously in effect under your plan of health benefits.

KEEP THIS SCHEDULE OF BENEFITS WITH YOUR BOOKLET.

Deductible Provisions

Out-of-Network Calendar Year Deductible

This is an amount of **out-of-network covered expenses** incurred each Calendar Year for which no benefits will be paid. The **out-of-network Calendar Year deductible** applies separately to you and each of your covered dependents. After **covered expenses** reach the **out-of-network Calendar Year deductible**, the plan will begin to pay benefits for **covered expenses** for the rest of the Calendar Year.

When you incur out-of-network **covered expenses** that apply toward the out-of-network Calendar Year **deductibles** for you and each of your covered dependents these expenses will also count toward the out-of-network Calendar Year family **deductible** limit. Your out-of-network family **deductible** limit will be considered to be met for the rest of the Calendar Year once the combined **covered expenses** reach the out-of-network family **deductible** limit in a Calendar Year.

Copayments and Benefit Deductible Provisions

Copayment, Copay

This is a specified dollar amount or percentage of the **negotiated charge** required to be paid by you at the time you receive a covered service from a **network provider**. It represents a portion of the applicable expense.

Payment Provisions

Payment Percentage

This is the percentage of your **covered expenses** that the plan pays and the percentage of **covered expenses** that you pay. The percentage that the plan pays is referred to as the “Plan Payment Percentage”. Once applicable **deductibles** have been met, your plan will pay a percentage of the **covered expenses**, and you will be responsible for the rest of the costs. The payment percentage may vary by the type of expense. Refer to your *Schedule of Benefits* for payment percentage amounts for each covered benefit.

Payment/Maximum Out-of-Pocket Limit

The **Payment/Maximum Out-of-Pocket Limit** is the maximum amount you are responsible to pay for **covered expenses** during the Calendar Year. Once you satisfy the **Payment/Maximum Out-of-Pocket limit**, the plan will pay 100% of the **covered expenses** that apply toward the limit for the rest of the Calendar Year. The **Payment/Maximum Out-of-Pocket Limit** applies to both network and out-of-network benefits.

This plan has an Individual **Payment/Maximum Out-of-Pocket limit**. This means once the amount of eligible expenses you or your covered dependent have paid during the Calendar Year meets the individual **Payment/Maximum Out-of-Pocket limit**, the plan will pay 100% of **covered expenses** for the remainder of the Calendar Year for that person.

There is also a Family **Payment/Maximum Out-of-Pocket limit**. This means once the amount of eligible expenses you or your covered dependent have paid during the Calendar Year meets the family **Payment/Maximum Out-of-Pocket Limit**, the plan will pay 100% of **covered expenses** for the remainder of the Calendar Year for all covered family members.

Expenses That Do Not Apply to Your Payment Limit

Certain covered expenses do not apply toward your plan payment limit. These include:

- Expenses applied toward a **deductible**;
- Charges over the **recognized charge**;
- Expenses applied toward a **copayment**;
- Any **covered expenses** which are payable by **Aetna** at 50%;
- Non-covered expenses;
- Expenses for non-emergency use of the emergency room;
- Expenses incurred for non-urgent use of an **urgent care provider**;
- Certain other **covered expenses** (see list in the *Schedule of Benefits*), and
- Expenses that are not paid, or **precertification** benefit reductions because a required **precertification** for the service(s) or supply was not obtained from **Aetna**.

Maximum Benefit Provisions

Calendar Year Maximum Benefit

The most the plan will pay for covered expenses incurred by any one covered person in a Calendar Year is called the Calendar Year maximum benefit.

The Calendar Year maximum benefit will not deny benefits for certain covered expenses in any one Calendar Year.

The Calendar Year maximum benefit applies to **network care** and **out-of-network care** expenses combined.

Precertification Benefit Reduction

The Booklet contains a complete description of the **precertification** program. Refer to the “Understanding Precertification” section for a list of services and supplies that require **precertification**.

Failure to precertify your **covered expenses** when required will result in a benefits reduction as follows:

- A \$200 benefit reduction will be applied separately to certain designated procedures covered under the outpatient precertification program.
- A \$500 benefit reduction will be applied separately to each type of expense shown in the List of Services and Supplies Which Require Precertification.

General

This Schedule of Benefits replaces any similar Schedule of Benefits previously in effect under your plan of benefits. Requests for coverage other than that to which you are entitled in accordance with this Schedule of Benefits cannot be accepted. This Schedule is part of your Booklet and should be kept with your Booklet.
