Tuesday

*This week the YPU will host the Party Prize Debate on **R: THE STATE SHOULD PROMOTE MORALITY** at 7:30 PM in **WLH 119**. Come cheer on the IP's talented, glorious, famously attractive, and eloquent speakers as they show why the Independent Party is the best in the Union!*

Thursday

*The semesterly joke debate is upon us! If you've never been before, this is indeed a spectacle to behold. Enjoy a night chocked full of euphemisms and euphoria as we debate **R: ALL I WANT TO DO IS BANG, BANG, BANG, BANG** at 7:30 PM in a location **TBA**.*

Friday

*Come to lunch at **12:30 PM** at **WALL STREET PIZZA** (formerly **NAPLES**). This will be your last chance to hang with the IP before you go either home or off jet-setting around the world on a mission to cure world hunger in two short weeks.*

Sunday

*If you've been feeling exceptionally lonely and just want to chill with some really cool people, well unfortunately, you can't. You will sadly have to go a long two weeks without the Independent Party. As a consolation prize, though, be sure to enjoy your **SPRING BREAK!***

Chairman : Adam "Banger for breakfast (my famous sausages)" Goodrum

Vice Chairman : Shaina "more bang for your buck" Wright

Chief Whip : Sasha "bangin'" Burger

Secretary : Kate "Bang the drummer boy slowly" McDermott

Treasurer : Reid "Like Elmer Fudd, I banged a good one" Magdanz

SAAAC : David "I recorded it with my bang mates" Trinh

Director of Development : Joe "Banging me softly" Charlet

Sergeant at Arms: Carly "Bang, bang, you're dead" Zubrzycki

Big Bangers: Carmen Lee, Rachel Bayefsky, Geoff Shaw

Bang on it: Shannon Connors, Catherine Osborn, Matt Bedrick, Nate Blevins, Joshua Cantor-Stone, Rustin Fakheri, Conor Crawford, Ramon Gonzalez, Tsuki Hoshijima, Ryan Hollander, Jaymin Patel

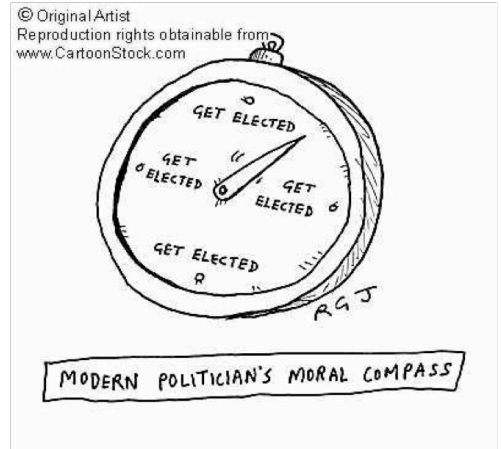

Last Week, the Independent Party met to debate **RESOLVED: EXECUTE WAR CRIMINALS**. **GEOFF** "penal: it's funny because it sounds like..." **SHAW** argued that executing war criminals gives society closure. **NAOMI** "I swear I'm not a relativist" **LISAN** argued that because the U.S. will never turn over its own criminals, it's unfair to kill those from poor countries whose hands are forced. **CONOR** "death to President Truman" **CRAWFORD** disagreed with Ms. Lisan regarding the possibility of an unbiased international tribunal and so argued in its favor. **SHAINA** "If Hitler hadn't been a dick-tator, he would have been a serial killer" **WRIGHT** then refuted Mr. Shaw's point by saying that executions should not be cathartic; rather societies need to repair themselves and evaluate their part in the crimes against humanity. **REID** "war criminal cam (like puppy cam)" **MAGDANZ** then argued that regardless of how society is repaired after the fact, we have no moral obligation to war criminals to keep them alive. **JOE** "good thing genocide doesn't lead anywhere or else everyone would be doing it" **CHARLET** refuted Mr. Magdanz's point by arguing that the moral obligation is to ourselves; killing dictators does nothing to further society. **ADAM** "Thucydides" **HIRST** argued that the real reason we execute war criminals is to provide a deterrent to further atrocities. **MATT** "future public defender" **BEDRICK** then made the case for rehabilitation, suggesting that there is no human being who has slipped so far from the edge of humanity that there is no chance for him to return. **NATE** "stripping is beneath us" **BLEVINS** gave the final speech arguing that justice based on retribution and majority blood lust is not justice at all and, in fact, strips us of our very humanity. In a vote of **TEN** to **EIGHT** to **ONE**, the motion **PASSED**, and the body adjourned to **YORKSIDE**, as is **TRADITIONAL**.

This is largely what you can expect from the joke debate

Around the YPU

This Tuesday the YPU will feature each of the parties' best speakers debating on the topic *R: The State should promote morality*. The Party Prize Debate involves just two speakers from each party, so come see the best of the YPU duke it out! Sadly, this will not be in pudding, as I had originally hoped. Sigh...

Maybe morality and democracy are antithetical? That's surely what Thomas Jefferson thought. Ah, perhaps not. Jefferson Davis then?

Bojangles's Corner

Well, it's that time of the semester again – when the IP throws away all of its Victorian-esque restraint and finally gets to air its dirty sexual under things. Sadly, many find it acceptable to use coy euphemisms to explain their sex lives (remember Max Silva's speech last semester on the "philosophical" underpinnings of philanthropy? But seriously, was he gettin' any?). Sadly, although lobsters always enjoy a good swim with koi, we're not such big fans of coy metaphors. And come on - it's like we affirmed at our porn debate...it's time to really

let everything hang well for all to see! And look! No euphemisms whatsoever...
