Note:

*Molecular Biophysics & Biochemistry (MB&B) is a department in both Medicine and FAS. All MB&B faculty, including Howard Hughes faculty, are included with FAS in this table.

General Notes:

Included here are faculty headcounts, not faculty F.T.E.'s or positions. Counts are based on the location of the primary appointments regardless of how positions are funded. Faculty with administrative appointments, such as president, provosts, deans and directors of museums, are not included in this table. Residential college masters are included. Also, there are some non-ladder faculty (e.g., adjunct, postdoctorates, etc.) who have appointments but they are not considered Yale employees (i.e., they do not receive a Yale paycheck). Those people are not included here. Howard Hughes investigators are included.

- "Tenured" includes tenured professors and tenured associate professors, and "tracked" faculty in Medicine and Nursing without fixed terms.
- "Term" includes non-tenured associate professors, assistant professors, instructors, all convertible appointments, Gibbs Assistant Professors, Gibbs Instructors, and "tracked" faculty in Medicine and Nursing.
- Nonladder includes the following ranks:
 "Visiting" includes all categories of visiting faculty, such as visiting professor, visiting associate professor, visiting assistant professor, visiting lecturer, etc.
 "Other" includes all non-ladder appointments, such as, lector, lecturer, acting instructor, critic, visiting critic, emeritus faculty teaching as a lecturer, Professor and AOP of the Practice, the title of clinician, and voluntary clinical faculty who are on the payroll.
 "Adjunct" includes all categories of adjunct faculty.
- "Research" includes all types of research appointments, such as, senior research scientist, associate in research, research associate, research staff, visiting research scientist/scholar, and Professor and AOP Adjunct of Research.
