*Molecular Biophysics & Biochemistry (MB&B) is a department in both Medicine and the Faculty of Arts & Sciences (FAS). All MB&B faculty, including Howard Hughes faculty, are included with FAS in this table. As a reminder that MB&B is part of the faculty of the School of Medicine, MB&B counts are listed in brackets under Medicine, although they are not included in the totals for Medicine.

General Notes:

(a) Included here are faculty headcounts, not faculty F.T.E.'s or positions. Counts are based on the location of the primary appointments regardless of how positions are funded. Faculty serving as president, provosts, deans and directors of museums are excluded. The table has been revised to include residential college masters. Previous versions excluded masters.

"Tenured" includes tenured professors and tenured associate professors, and "tracked" faculty in Medicine and Nursing without fixed terms.

"Term" includes non-tenured associate professors, assistant professors, instructors, all convertible appointments, Gibbs Assistant Professors, Gibbs Instructors, and "tracked" faculty in Medicine and Nursing.
