

3220 GD.01 Items Requiring Pre-Order Approval

Revision Date: 4/7/09

Restricted Item	Approval Contact	Description
Hazardous or Regulated Materials	OEHS (approval) 785-3550 Purchasing 432-9955 (orders)	<p>Highly Toxic Compressed Gases: Arsine Chlorine Cyanogen Cyanogen chloride Diborane Fluorine Germane Hexaethyl tetraphosphate Hydrogen cyanide Hydrogen selenide Nitric oxide Nitrogen tetroxide Phosgene Phosphine</p> <p>Select Agents: Select Agents as defined by CDC/USDA, including many highly infectious organisms and biologically-active toxins</p> <p>Air/Moisture Reactive Metals: Alkali metals Barium Beryllium Cesium Lithium Lithium aluminum hydride Phosphorus Potassium Rubidium Sodium</p> <p>Others: Arsenic and arsenic compounds Benzoyl peroxide Cyanide compounds Defective pathogen vectors and vector kits Ethylene oxide Hydrofluoric acid Hydrogen (compressed gas) Lead Mercury-containing compounds/products Perchloric acid Picric acid Uranyl acetate or nitrate</p>
Safety-Critical Equipment	OEHS (approval) 785-3550 Purchasing 432-9955 (orders)	AED or Automated External Defibrillation device Autoclaves Automated film processors Biological safety cabinets Clean Benches (Horizontal or Vertical Laminar Flow) Compressed Gas lecture bottles Compressed Gas manifold delivery systems Cranes and hoists Electron microscopes Emergency eye washes and safety showers Ethylene oxide sterilizers Forklifts and related motorized equipment Fume hoods Gamma counters (or gamma detectors) Glove boxes High Magnetic Field Equipment Lasers - Class 3B/4. Lead aprons or other lead shielding Liquid scintillation counters (LSC) Respirators and replacement cartridges and filters Tritium H ³ exit signs X-ray equipment
Radioactive Material	OEHS 785-3552	Exclusively through OEHS including Generally Licensed items
Animals	YARC 785-2526	Exclusively through YARC
Controlled Substances (regulated drugs)	OEHS (license) 737-2121 Purchasing 432-9955 (orders)	Exclusively through Purchasing Must have state DCD license and Federal DEA registration
Non-taxable Ethyl Alcohol	TR&S 432-9906	Exclusively through Traffic, Receiving and Stores or any Yale stockroom
