Re: Procurement Open House 8/5, 10am – 2pm

On August 5th from 10am to 2pm, Procurement will open its doors to welcome front-line procurement users to take a behind-the scenes look at EMS, SciQuest, AccuShip, invoice processing, purchase order processing, Purchasing Card maintenance and much more! This is also a great opportunity to put names and faces together and to let us say “thank you” for all of the hard work that our customers have contributed to helping to transform Procurement over the last few years.

If you would like your staff members to attend, please send an email to procurement@yale.edu with their email addresses by July 10th. We will send out formal invitations directly to perspective attendees.
