

The wait is over; Apple is now available in SciQuest!

Yale University Procurement is pleased to announce that Apple Computer, Inc. is now available in SciQuest as an external catalog (punchout). Apple offers free shipping on all orders, so make sure your desktop delivery address correctly appears on your order.

For Apple navigational tips, click [here](#)

What if I don't have access to SciQuest?

SciQuest is available campus-wide for institutional purchases by Yale faculty, staff and students. Your Business Office is responsible to set-up your appropriate SciQuest access.

Please contact procurement@yale.edu with any questions or concerns.
