Happy Holidays from the Staff at Security Awareness

Lock it Up! That means your room guys. Don't leave for the holiday break until everything is secure. Take items of value with you for the holiday. Don't leave your keys or ID. Put other items in your drawers and in your closet.

Take Your Laptop Home! Don't leave your laptop computer unsecured in your room or unattended at anytime while you travel.

Travel Smart! Make your travel arrangements responsibly and inform your family of your plans. Take the minibus to the train station when you are heading out of town. Take a cab or a bus with a friend to the airport. Use Yale Transportation on your return from the train station. For shared ride service to airports call Prime Time shuttle at 800-733-8267 or visit their website at primetimeshuttle.com. Check out CT Limo service from Phelps Gate at www.yale.edu/securityawareness. Click on "Newsletter" and then "CT Limo Info."

Don't Walk Alone! It is unwise at anytime to walk alone, especially at night. Call *To-Walk* at 2-9255, 24 hours per day, seven days per week. You also have your buddies! Walk together to shop, to study. Friends walk together. It's always safer in numbers.

Don't overburden your holiday by carrying bags that are too heavy and cumbersome. Pack lightly. You can't be aware of your surroundings when your bags are blocking your view and slowing you down.

Visit www.yale.edu/securityawareness for the latest tips on how to stay safe, and secure your belongings. Have a great holiday!

In partnership with university police and security programs we hope to reduce crime and high risk activity by creating and promoting an environment that supports healthy, informed choices. By practicing a positive approach to prevention, we are committed to achieving a better quality of life for our community.
