

Security Awareness at Yale

OCTOBER 2004

YALE UNIVERSITY, SECURITY EDUCATION 737-1777

Reminders

Secure Your Laptop! Laptops should never be alone. Keep them in view all the time.

Deter a laptop thief. Get the STOP program. Buy a computer cable lock, which is available at the bookstore.

Recover your laptop if lost or stolen by purchasing zTRACE, an effective, new, recovery software. Visit www.yale.edu/securityawareness for all the details.

Sign up for the STOP Program! We will be available in front of Commons Dining Hall on Wednesday, October 27 between 11:30 am and 1:30 pm so you can sign up your laptop to the STOP Program. Bring your laptop, and \$20. It takes only minutes to protect your laptop.

Look for our first security awareness commercial on Y-TV very soon!

Office of Security Awareness wants to remind you to study, have a great time, and stay safe by using our services!

Don't Walk Alone! Walk with your friend, your intramural teammate, you lab partner. Call To-Walk at 2-9255 or 5-5555 when your friends aren't with you.

New Science Hill Shuttle Loop. Take the new Prospect Loop to Science Hill for your lab class. Schedule and map info at www.yale.edu/hronline/parkingandtransit/centralscienceshuttle

Lock Your Suite Door in your college. Leaving a door unlocked or propped open jeopardizes your college community and makes everyone feel unsafe.

Kryptonite U-lock Owners May Need Company Upgrade To Protect Their Bike

Baybrook Bicycles, 252 College Street at 865-2724 is a local registered Kryptonite dealer.

In partnership with university police and security programs we hope to reduce crime and high risk activity by creating and promoting an environment that supports healthy, informed choices. By practicing a positive approach to prevention, we are committed to achieving a better quality of life for our community.
