

Greetings!

And welcome to our freshmen parents!

We recommend that you encourage your students to forward to you the emails we send to them.

Verification of freshmen awards

Freshman awards must be verified in order for offered financial aid to disburse in the fall. A Family Information Supplement form must be completed and submitted to SFS. All freshmen received an email with a link to the form and instructions detailing all of the requirements needed for verification. Below is a link to the financial aid web page for newly admitted students.
