

## A note to our Freshmen Parents

The purpose of our newsletter is to alert you to issues students may forget to share. As per Federal Rules & Regulations, student specific information is communicated directly to the student. Information on student accounts, specific charges, and financial aid awards can be shared only with the student's permission. The information in these newsletters is general in nature. Please contact your children directly when you have questions about their individual financial information.

## Outside Aid

Yale's policy on the treatment of outside aid may be found at <http://www.yale.edu/sfas/finaid/finaid-information/about-outside-aid.html>.

Freshmen families should contact SFS if the student is purchasing a computer and the total outside aid exceeds student effort since, in some cases, outside awards may be used to fund a computer purchase. Keep in mind that agencies may have restrictions on the use of their funds. Please submit the following form to report additional outside resources <http://www.yale.edu/sfas/finaid/pdf-forms/0910/0910OAUupdate.pdf>.

## Fall Term Bills

The fall term bill was generated on July 1. SFS bills are electronic: no paper bills are printed. New students received correspondence with instructions on how to set up their parents as authorized users/payers.

## Verification of Freshmen Awards

Freshmen awards must be verified. If your student has not yet submitted a **Family Information Supplement**, please access the form at this link and fax to SFS: <http://www.yale.edu/sfas/finaid/pdf-forms/0910/0910FIS.pdf>

## Renewing your 2009-10 Financial Aid

Students whose bills do not reflect financial aid credits should check their requirements at <http://www.yale.edu/sis/>. Application instructions are available on the Continuing Student page of the Financial Aid website (<http://www.yale.edu/sfas/finaid/continuing-students/index.html>).

## Student Employment:

Employers begin posting Academic Year jobs in late August. More detailed information on jobs will be featured in our next newsletter.
