

## Outside Scholarship/Resource Update Form

### Instructions

You should complete this form to notify Student Financial Services of the receipt of an outside scholarship or resource that you have not yet reported to us, or to inform us of any changes or new information related to your outside scholarship(s).

To fill in the form online, use your mouse or tab key to navigate through the form. When you have completed the form, you should click the bottom box to submit it to Student Financial Services by e-mail. If you have problems submitting the form by e-mail, you should print it and submit it by mail or fax.
