

## “Contributions of brain research to foreign language education”

**Maripaz García**  
&  
**Yovanna Cifuentes**

Maripaz García, Ph.D. and Yovanna Cifuentes, M.Ed. teach Spanish at the Department of Spanish and Portuguese at Yale University. The presentation reviews the main research done in neurolinguistics with respect to language and language acquisition and how it can be applied to the teaching of a second language.
