

Tips for Students

Using NavNet and the LearningCheck App

Logging in to NavNet

1. Press the **[APPS]** key on the TI-83+/TI-84+.
2. Use the down arrow **▼** key to move the cursor to **NavNet** and press **[ENTER]**.
3. Press any key.
4. Enter your username and press the down arrow **▼** key (or press **[ENTER]**).
5. Enter your password.
6. Press the soft key "OK" (**[Y=]** key).

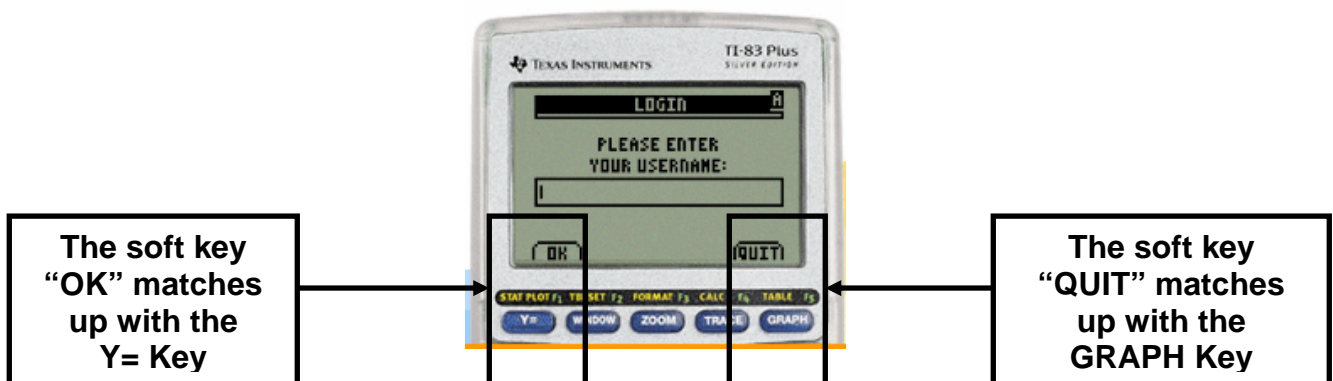

Starting the Learning Check App

1. From the TI-Navigator Home screen, choose
2: Network Apps.
2. Select **LearnChk** and press **[ENTER]**.

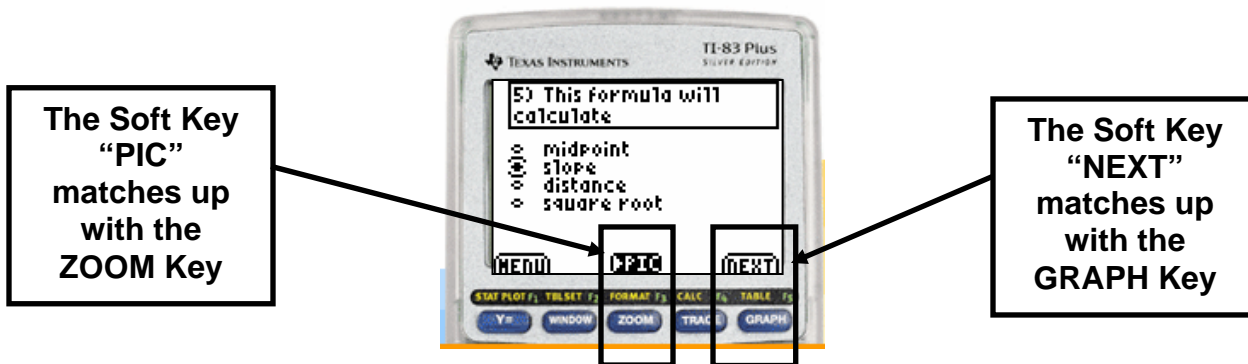

Navigation: Soft Keys

TI-Navigator uses *Soft Keys* for navigation. The soft keys correspond with the five graphing keys located at the top of the TI-83+/TI-84+ (**[Y=]**, **[WINDOW]**, **[ZOOM]**, **[TRACE]**, and **[GRAPH]**).

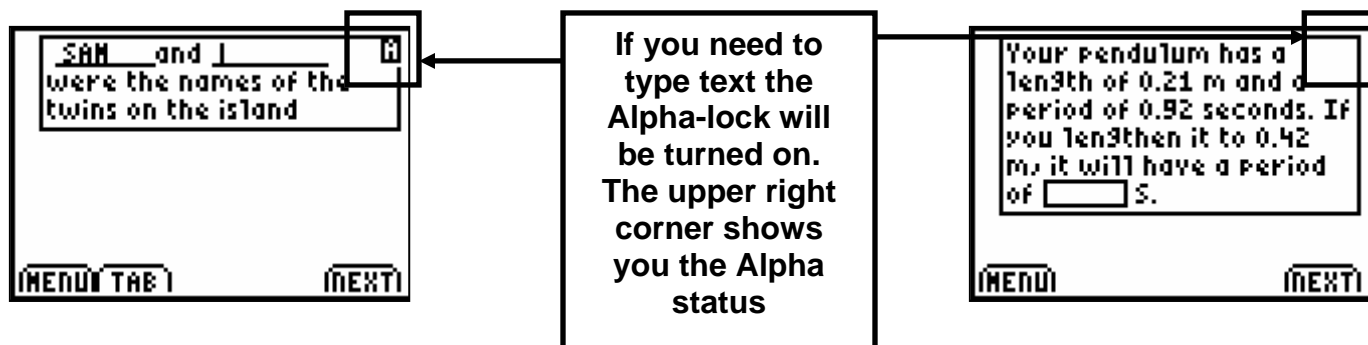

Entering Answers: Multiple Choice

1. Use the directional arrow keys to scroll through answer choices and the **ENTER** key to select the answer.
2. If you want to deselect an answer just press **ENTER** again.
3. To move to the next item, press the soft key "NEXT".

Entering Answers: Fill-in the Blank

1. To select a Blank press the **ENTER** key.
2. Type or select your answer.
3. To move to another blank press the soft key "TAB"

Hint: If you need to type text and the Alpha-Lock is not on press **2nd** **ALPHA**.

2. Use the arrow keys to move the line to the desired location and press **ENTER**.

Menu Options: Item List

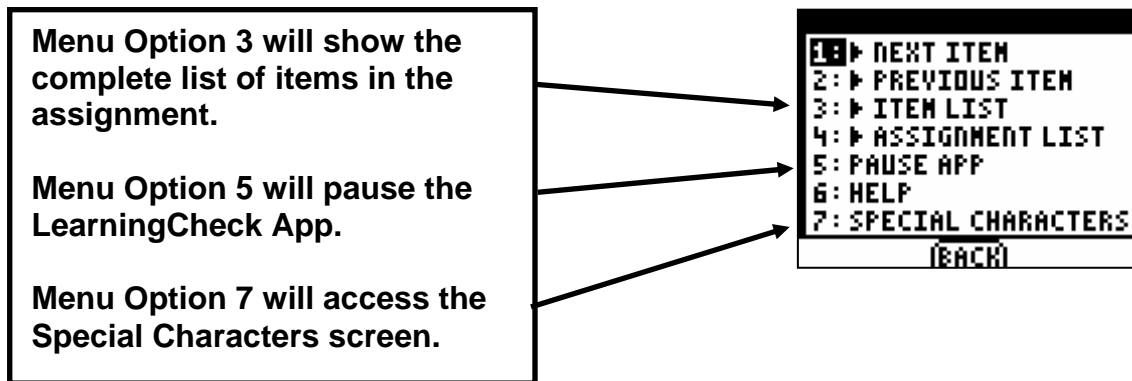

Pressing the "MENU" soft key allows you to access the main menu for LearningCheck. To view the complete list of items in the assignment (and go to any desired question) press the 3 key to select "Item List".

Menu Options: Pause App

You can pause the App to use some of the functionality of the calculator. To do so, go to the MENU screen and press the 5 key to select "Pause App". To re-enter the assignment, press the **[APPS]** key and select NavNet.

Menu Options: Special Characters

At times you may want to put special characters (Greek, math symbol, etc.) into your answers. To do so, go to the MENU screen and press the 7 key to select "Special Characters".

Completing the Assignment:

After the last question has been viewed, the screen displays the item list for the assignment. Check to confirm that all questions have been answered.
