

We encourage all to drop by our food drive sites and bring an item.

Every year, the pain of hunger challenges the Greater New Haven community. The elderly and youth populations of New Haven are disproportionately effected by not having enough to eat. You can help provide them with sharing food items that our community members so desperately need.

Why should there be hunger and deprivation in any land, in any city, at any table, when man has the resources and the scientific know-how to provide all mankind with the basic necessities of life? There is no deficit in human resources. The deficit is in human will.

Martin Luther King, Jr.
