**Look for new brochure in July or
visit Web site after July 1st.**

ADVANTAGES OF THIS PROTECTION FOR STUDENTS:

- Students have the availability of multi-peril coverage program to adequately insure their personal property.
- Coverage provided is considered primary coverage and will pay first, even if other coverage may be available through parental homeowners.
- The coverage is worldwide with the only exclusion for location of the property being while the property is at the parent's permanent residence.
- The policy has a \$100 deductible per loss which is usually less than the deductible provided under home owners programs which may be \$250, \$400 or as high as \$2000. A \$50 deductible option is available by increasing the premium by \$5.00.
- All claims will be paid at "replacement cost value". You will be pleased with your claim payment if a loss occurs.
- Simplistic enrollment application and does not require listing any property until a loss occurs. Online enrollments and credit cards payments are options available beginning July 1st.
- You are given 60 days to review the Certificate of Coverage after the effective date to request full refund of the premium if you are not satisfied.
- Yale University does NOT provide coverage for your possessions and encourages you to consider this plan.
- For additional information contact a college specialist at Haylor Freyer & Coon. 1-800-289-1501 or email chorton@haylor.com
