

**The Astro 2010 Decadal Survey:  
A Q&A Session with Panel  
Member Debbie Elmegreen**

Yale University  
New Haven, CT

*The Yale Physics and Astronomy Departments invite you to an open discussion with Astro2010 panel member Debbie Elmegreen (Vassar) on the content and implications of the recently released Astronomy and Astrophysics Decadal Survey.*

*September 23, 2010 4:00 – 5:30 pm*

*The Yale University Kline Geology Laboratory Auditorium*

*For more information: [www.yale.edu/ycaa/Decadal](http://www.yale.edu/ycaa/Decadal)*

*Join us for an informal reception afterwards!*

*Debbie Elmegreen will also give an Astronomy colloquium on her galaxy science, from 2-3 pm at the same location. All are welcome.*
