

Yale Figure Skating Club, Inc.

June 20, 2008

Dear YFSC Members,

Enclosed please find a 2008-2009 YFSC Membership Application and Fee Form. While it's not yet time to sign up for fall ice, we're sending you these forms now to give you an opportunity to renew both your YFSC and USFS (US Figure Skating) memberships before the June 30th USFA membership expiration date.

Anyone who expects to be participating after June 30th in any USFS competitions, test sessions, synchronized skating, or other USFS activities for which USFS membership is required (including participating on the YFSC board of directors), must renew their membership at this time. Please complete both the Membership and the Fee sections of the form and return them with your check to Mary D'Agostino as soon as possible. If you have any questions, leave a message at 432-1233 and Mary D. or I will call you back.

We know that you're interested in hearing about our schedule for next year. At this point we can tell you that we'll be having another short year due to rink renovations. We understand that the rink will not open until October 11th, and will close again at the end of March. We're still working on the particulars of our program, and will let you know more later this summer.

With best wishes for a relaxing summer, I am

Sincerely yours,

Mary Brett Lee
Membership Chair
