1. Authorship Criteria and Responsibility:

All persons listed as authors must meet the following criteria:

- I certify that I have participated sufficiently in the work to take public responsibility for the content.
- I certify that (1) I have made substantial contributions to the conception, design or analysis, and interpretation of data; (2) I have made substantial contributions to drafting the article or revising it critically for important intellectual content; and (3) I have given final approval of the article to be published.
- I certify that the manuscript represents valid work and that neither this manuscript nor one with substantially similar content under my authorship has been published or is being considered for publication elsewhere, except as described in an attachment.
- If requested by the editors, I will fully cooperate to obtain and provide all data in which the manuscript is based.
