There is exciting news about a tentative May visit to the new SOM Building. The date is not yet set but the visit will be sometime after May 19. All YUWO members who have email addresses will receive an email announcement in mid May with the details. If you don’t have an email address ask your YUWO friends or contact Anne Schenck (203-787-3705).

For those interested there will be a trip across the street to the Peabody Museum for the Dinosaur Egg Exhibition. Baby emu chicks are part of the Peabody exhibit. The newest batch is set to push out of their shells in the first week of May but some could be late bloomers. YUWO will go from cutting edge modern to what's left of the dinosaurs in one morning!

Lunch and Learn Reminder

On Tuesday, April 29, at 12 noon the YUWO Lunch and Learn final presentation of the 2013-2014 YUWO season will feature Michael Sletcher, who will give us: "A Brief History of the Origins and Development of the American Character". As usual, the presentation will be held at the Yale Visitor Center on Elm Street. This is the last Lunch and Learn presentation for Co Chairs Judy Miller and Mary Davis. We would like to thank all of you who have attended our presentations over the last four years and those who helped us with cookies and other sweets. They gave great pleasure to those who attended.

After a long and harsh winter we are happy to welcome spring with the YUWO Annual Meeting and Scholarship Awards Luncheon. We will meet at the New Haven Country Club on Thursday, May 8. Arrivals are welcome at 11:15 and lunch will be served at 12:00 noon. There is a registration form included in the newsletter. Registrations cannot be accepted after May 1.

The scholarship committee has met and selected six very qualified candidates to receive awards this year. Through your continued generosity and the rewards of the finance committee’s diligent work, we are able to provide $16,000 in scholarship to these outstanding Yale women.

We want to thank all of you for your efforts to make this a memorable YUWO year full of events and activities that have enriched us all. Next year marks the 50th anniversary of the founding of YUWO, an occasion worth celebrating. We are planning activities throughout the year and will need the help of each member. We are certain we can rely on the generous spirit of YUWO women to make this a huge success. For inspiration you might want to review "One Story, Many Voices" - a history of YUWO at our web site, www.yale.edu/YUWO.

Art Aficionados – Wednesday, May 7
On Wednesday May 7 meet at noon in the lobby of the Yale Art Gallery. The curator of "The Grandeur of Japanese Screens" will honor us with a private tour. These screens span a time period from mid 16th to early 21st century. Their function was to create areas in a room. They are each pieces of Art with a history. We are very fortunate to experience this art work at the YAG. Questions? Contact anneke_hathaway@sbcglobal.net.

We are finishing our first group of three sessions in "Making Sense of Art". It has been a wonderful experience for all of us. In the Fall we will start a new series of "Making Sense of Art" and we will have the dates set when we open up the new academic year at the cheese and wine reception. Be sure to sign up.

Golf Clinic
The next golf clinic will be held at the Yale Golf Course on April 17th. Cost is $30 for one time. Please contact Pam or Barbara if you are interested. Prackliffe18@gmail.com or brkryger@gmail.com.

Spring Excursion
On Thursday, March 27, YUWO women were bused to the Springfield, MA Museums, a little-known and worthwhile art destination with something for everyone, including Dr. Seuss fans. The special exhibit Intent to Deceive: Fakes and Forgeries in the Art World had interesting material from Europe and the U.S. (For more information  www.intenttodeceive.org ) Another exhibit Steampunk Springfield was an amazing group of large put-together metal objects. Steps away was the bronze statue The Pilgrim by Augustus Sainte-Gaudens.
